WHY BUY TRAFFIC & GET PAID?

With Millions of Independent Business Owners already onboard and a proven track record of success since 2004, Profit Clicking provides a matchless, rock solid income strategy. Most internet programs are here today, gone tomorrow leaving it's members nothing but broken promises and empty wallets. With Profit Clicking you get paid-commissions based on your simple involvement in the traffic exchange and our retail products. It's that simple. The question is not why buy traffic and get paid, the question is why not!

ROYALTY7

Your Safespot In Online Investment !

Investment Diversification In World's Leading Markets

- Providing the lowest risk ratio in the industry !
- Delivering best-in-class & long term service.
- Helping our investors to achieve success.

- ▶ Royalty7.com is a private investment and wealth management company that allows international participation of individual and group alike. Our service provides highly lucrative return on investment along with a complete account privacy, top level online security, an efficient account management and 24/7 fully dedicated support team. Our company financial portfolio is backed-up by an active pool of realized profits from various high-yield assets that we hold around the globe. All our members have equal opportunity to benefit from an attractive **7% Daily / 110% Weekly** plans on a long term basis, with the lowest possible risk of losing the initial principle invested.
- ▶ Our areas of expertise are varied, we are active in the world's top markets including but not limited to: **Real Estate** (Dubai sea-land residential development concepts, mutual investments in few cacao and tobacco production fields), **Financial** (Start-up initial public offerings, foreign currencies exchange, holding stocks of insurance firms and mortgage brokers), **Tourism** (Casino resort shares in Macau, and a silent partnership with one of the biggest traveling guides), **Import / Export** (Trading electronic toys and aluminum profiles using a real-time trading platform between china & north America), and as of lately **Energy** (Alternative fuels and green power).

- ▶ We were incorporated as an offshore limited company in England and Wales, a well-known and reputable jurisdiction. This facts gives us the advantage of trading flexibility, to buy & sell quickly and privately without being subjective to severe regulation. Our company's key strategy is to minimize the operation risk chances by participating only in a high quality businesses of the world's biggest industries, with a constant alertness for even the smallest market events.

That's how we manage to secure you with amazing 154% monthly ROI over the long term !

- ▶ **Royalty7** is intended to stay, grow and compete in the field of high yield investment programs. We'll do whatever it takes to become a leader you can trust and rely on during difficult times.
